RE: INTRODUCTION OF UGANDA KIDS eV SCHOOL

This is to introduce to you the above mentioned school that exists in Adjumani district.

The school started in 2007 as a Kindergarten and nursery school fully registered with the district and the Ministry of Education and Sports in line with section (4)1 of the Education Act 2008 of Uganda.

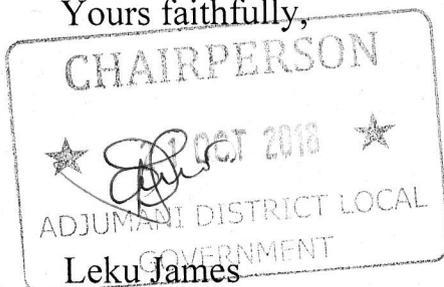

Since the initiation of the school, it has grown from strength to strength, as of now up to Primary Leaving Examination standard/level and its one of the schools performing very well in the district.

We appreciate the initiative and thank the Proprietor for thinking about the opening of this school. I hope the school will even grow up to Secondary level.

Any assistance rendered to them will be of great value.

Thank you.

Yours faithfully,

DISTRICT CHAIRPERSON
